#### General Responsibilities:

Provide career development tools to members of ASTD Nebraska. Promote recognition of and respect for the chapter and its membership within the Omaha and Nebraska business communities.

Bio: **Jon Titus** has over 8 years of training and development experience in a variety of fields ranging from insurance to education. He is currently a Sr. Training Specialist with the Production and Operations Management Division of Mutual of Omaha. This is Jon's second year at Mutual of Omaha. Some of his previous positions include Dean at Kaplan University – Council Bluffs, Director Development Program at Kaplan Higher Education, Supervisor Training Program at GEICO, and Education Volunteer at the United States Peace Corps.

Jon's education includes a Bachelor's degree in Biology with a minor in Business Administration from the University of Iowa and an MBA from the Tippie School of Management at the University of Iowa.

Jon volunteered on the Resume Review Team last year. As Director of Career Resources, he wants you to submit your resume for feedback and sign up for a mock interview this year. These resources are included in your membership and you really ought to take advantage of them. Additionally, Jon will work to ensure ASTD is made aware of job postings in the industry for our members to review.
