

Past President

Terry Lee

Woodmen of the World Insurance

Email Terry

General Responsibilities:

Provide leadership and advice to the President, President-Elect, the Board and the Chapter. Promote recognition of and respect for the chapter and its membership within the Omaha and Nebraska business communities.

Bio: **Terry Lee** was the President of ASTD Nebraska in 2011. As a Sr. Performance Development Consultant, Terry presents and facilitates training and development sessions that help to enrich Woodmen associates in their current role and help position them for future roles in the organization and beyond.

Terry holds certifications in Executive Coaching from Kaplan University, 360 Feedback coaching from Lominger/Korn Ferry, Emergenetics and Achieve Global Customer Service training. He has worked as a contract motivational speaker for *Making It Count*. *Making It Count* is a division of Monster Inc. that provides presentations regarding college and career choices to High School and College freshmen students. Terry has spoken to over 10,000 students through this program.

Terry is an active member of Toastmasters Inc. He has held several leadership positions in his club and area and has successfully competed in several speech competitions in Toastmasters. He has a bachelor's degree in Journalism from University of Nebraska at Omaha and is currently working towards a masters of communications degree from Bellevue University.
