

## Director Membership

**Ralph Wojcinski**  
Bellevue University  
**Email Ralph**

### General Responsibilities:

Assists the VP in the oversight of membership goals, strategies, and activities that will assist the Chapter in recruiting new members and retaining current members. Provides membership services to the membership. Promotes recognition of and respect for the chapter and its membership within the Omaha and Nebraska business communities. Processes membership reports to track ASTD Nebraska membership trends and adherence to ASTD National CORE standards, and develop initiatives to assist in chapter growth and retention of current members.

**Bio:** As Project Manager with Bellevue University, **Ralph Wojcinski** manages Enterprise-level projects and corporate curriculum development projects. He establishes roles and responsibilities for cross-functional project team members, and coordinates work item assignments with key stakeholders, ensuring that projects are completed in time, below cost expectations, and with the highest possible quality.

Ralph's career in training and education began while he was in the Air Force in 1980, where he became a Master Technical Instructor in Avionics Inertial and Radar Navigation systems as well as Ballistics Delivery systems. At First Data Corporation, he was a Senior Education Project Analyst, Technical Training Instructor and Technical Training Manager. He developed one of the first-ever virtual training qualification courses to train instructors the various methods of online virtual instruction, and developed courses for that mode of instruction. At Bellevue University, Ralph authored courses and course content, managed corporate curriculum development courses and programs, and worked with multi-disciplined contributors from various units in the University.

Ralph's breadth of experience includes past positions such as Online Corporate Development Manager, University/College Education Program Partnerships Coordinator, and Production/Operations Manager.

As Director of Membership, Ralph's goal is to work closely with ASTD Nebraska leadership and members to increase awareness about this organization to positively impact membership and increase retention.

Ralph holds a Master's degree in Management, a Baccalaureate Degree in Business Management, an Associates' Degree in Avionics Systems Technology (Electronics), and is a member of the Sigma Beta Delta Honor Society.
